## Club History

*Although there is no definite date for the formation of the Enniscrone Club known, it is taken that the year was 1888, as the club was represented at the County Convention in November of that year by P.J. Hopkins. The first recorded match showing the clubs involvement was against Easkey at Easkey on Sunday 27th January 1889. The result of this match has not been given. The people involved in the club administration in 1889 were Wallace Hopkins, J.O'Dowd, M.J.Blake, T.Carroll, P.McGowan, Francis Rouse and John Kennedy. As the club has been unable to identify the club founders, the above people are credited with its foundation in the parish. Did You Know? When the GAA was founded Central Council of the Administration wished each club to adopt a distinctive name, thus the Enniscrone club became the "Owen Roes", and in the early years the club wore "blue and white" colours.*

## What it's like to be a fish

### *I am a salmon*

I am a salmon. I'll journey today up the river without delay to lay my eggs under a pile of sand. I have to be careful because dangers are around like fish and gulls but what scares me the most is river pollution. Come on humans you can do way better than this .

## Irish Dancing

- I started dancing when I was 3 years old with the Nolan Bailey Academy in Ballina. The school is now called the Bailey Scariff Academy of Dance! I absolutely love to dance and my favourite light dance is the slip jig and my favourite heavy dance is my set Planxty Drury.
- There are 4 levels or grades in dancing = Bun, Tus, Mean and Open. I am in Open Championship -the highest level and Bun is the beginners level.
- You start wearing a dress and a wig in Mean Grád and Open and you wear a leotard in Bun and Tus.
- There are different dances for different age groups. And you start wearing makeup when you are u11!

# My hobbies and talents

## Irish Dancing

- Dancing is a great sport because anyone can do it and you make so many great friends, not just in your own dance school but in others also.
- It certainly keeps you fit!! I attend classes three times a week and maybe more before a major feis. I also have to practice at home, especially when I get new steps and need to perfect them for a dance!
- Our classes do not only teach us dancing but we also do a huge amount of fitness training and stretching also.
- You would mostly go to a small feis every other weekend but the major feises like the All Irelands, Worlds and Nationals only happen once a year. It gives you the amazing opportunity to travel all around the country and all over the world!!!!
- I have already been competing in Kerry, Dublin, Derry, Galway, Mayo, Limerick, Roscommon, Monaghan.
- By far the best places were Glasgow and Brighton for the All Scotland Championships and the Great Britain Championships for me! I also have a dancing pen pal in America that I am going to meet hopefully in the future!

# Shoes and Costumes

## Shoes

- There are two types of shoes used in Irish Dancing- Soft shoes (ghillies) and Heavy shoes (hard shoes). These are used for the different types and styles of dances
- Soft shoe dances include: the reel, light jig, single jig and slip jig.
- Heavy shoe dances include: Heavy jig, hornpipe, traditional sets and sets.

## Costumes

- When we reach the Open Grade, we wear very sparkly and detailed costumes which you can get made from various designers. We wear special white sock called 'Poodle socks'.
- We also wear wigs and headpieces or tiaras in our hair, tan on our legs and make-up which is a lot of hard work!!

# Irish Dancing

My best achievement so far was winning the Under 10 Prelim Championship at the Connachts last year and one of my proudest moments was when I recalled in two of my dances at the All Irelands this year.

I plan on dancing for plenty more years as I love it so much. I hope to continue to improve every day and most importantly enjoy all the fun that goes with it and make lots more amazing memories. Below is a picture timeline from when I started going to feises up until now.

# Irish Dancing Organisations

There are so many different Irish Dancing Organisation.

- An Coimisiún le Rincí Gaelacha. Know as CLRG (which is the organisation I dance for) An Coimisiún le Rincí Gaelacha, The **Irish Dancing Commission**, was established by Conradh na Gaeilge (The Gaelic League) in 1930.

Others include:

- An Comhdháil Múinteora Rinnce Gaelacha. ...
- Cumann Rince Náisiúnta. Known as CRN
- Cumann Rince Dea Mheasa. .Know as CRDM
- **World Irish Dance Association**. Known as WIDA

Each organisation run their own competitions and dancers only compete within their own organisation.
